## February 2019

### Choice of Chocolates

Truffles, cordials, nutty, creamy or crunchy ...  
There are many sweet choices when it comes to a box of Valentine's Day chocolates. The most popular pick according to surveys is the classic caramel.

### Layered in Warmth

Older adults are more sensitive to cold weather, yet may not notice their body temperature dropping. The best way to stay warm is to dress in layers, even when indoors.

### Furry Forecasters

Pennsylvania's Punxsutawney Phil tends to hog the spotlight on Groundhog Day, but there are other celebrity groundhogs who are prognosticators of spring. Down in Cajun country, Pierre C. Shadeaux makes his annual prediction in south Louisiana. Staten Island Chuck is the official forecaster for New York City. And folks in Raleigh, N.C., check in with Sir Walter Wally.

**COME TO THE OFFICE AND GUESS HOW MANY CANDIES ARE IN THE JAR. THE WINNER WILL BE ANNOUNCED ON VALENTINE'S DAY.**

"The love of God that reaches to wherever a man is can be entirely rejected. God will not force Himself on anyone against his will. It is your part to believe. It is your part to receive. Nobody else can do it for you."

Billy Graham

"God's love is unchangeable; He knows exactly what we are and loves us anyway."

Billy Graham  
 "The moment we take our last breath on earth we take our first in Heaven."

Billy Graham  
 "To get nations back on their feet, we must first get down on our knees."

Billy Graham  
 "Wherever the Word of God is hidden or ignored, there will be certain destruction."

Billy Graham  
 "Self-centered indulgence, pride, and lack of shame over sin are now emblems of the American lifestyle."
