*Billy Graham*

Integrity means that if our private life were suddenly exposed, we'd have no reason to be ashamed or embarrassed. Integrity means that our outward life is consistent with our inner convictions.

*Billy Graham*

Someday your life will be over, no matter how much attention you give to your health. Will you look back with regret, because you nourished your body but starved your soul?

*Billy Graham*

You can't control the length of your life. You can control the depth.

*Billy Graham*

Prayer is the rope that pulls God and man together. But it doesn't pull God down to us; it pulls us up to Him.
